Don - Attached are the logs for the wells installed during the investigation. Please let us know if there is anything else you need.

Thanks!
Sarah

Don - I have the draft boring logs, but have not reviewed them for accuracy yet. I can get these out to you next week.

The depth to water during the sampling of the monitoring wells are listed below.

MW-1101-S4 - 29.54 - 6/22/2011
MW-1102-S4 - 30.41 - 6/13/2011
MW-1103-S3/4 - 24.89 - 6/13/2011
MW-1105-S3/4 - 17.03 - 6/13/2011

We haven't surveyed the wells in yet. This is scheduled for next week.

Thanks!
Sarah

Hi Sarah.

Would you also send the boring logs and depths to ground water for the recently installed wells?

Thanks!
